Specification

Technical Condition	ТУ У 15.8-31613817-007-2005
Vendor code	32984
Product name	Flavor Vanilla Cream AFBP 32984
Appeareance	liquid, colour from transparent to brown
Declarative status	Flavoring
Compound	
Type of flavoring	Identical to natural
Quantitatively limited constituents	Missing
The basis	Propylene glycol
Physical and chemical indicators	
Refractive index at 20°C, nominal units	0,9 – 1,8
Density at 20°C, g/sm³	0,8 - 1,6

The manufacturer guarantees

- compliance of the product with the requirements of ТУ У 15.8-31613817-007: 2005 - warranty period of storage - 12 months from the date of manufacture, subject to the conditions of transportation and storage type of transport. - Flavorings should be stored in warehouses at temperatures from +10°C to +25°C and relative air humidity not more than 85%. The storage room where flavors are stored must be well ventilated. From the date of this specification, all previous versions are no longer valid. This product complies with the current Ukrainian and European Community regulations that govern food production. All data has been compiled with care and to the best of our knowledge. Due to production and technical reasons, due to different origins, as well as different properties of natural raw materials, slight deviations are possible in individual cases. For this reason, as well as on the basis of possible changes in legislation, the correctness of the data cannot be guaranteed. This document is generated automatically and is valid without a signature.
